Alex Phillips

General Manager/Golf Professional

Alex has been coaching players for over 15 years, including lessons with kids up to elite D1 college players. On top of coaching, while playing golf professionally on the WAPT and Symetra Tour, alongside her Long Drive career, Alex has always worked to continue to learn and improve as much as possible. She became an ACE Certified fitness professional in 2021, is a RYT, and is working toward her PGA membership. She has been very fortunate to work with some of the top professionals in the golf world and is very excited to bring those experiences and lessons to Tecolote Canyon. She specializes in making good players better, but she has experience and enjoys working with beginners just as well.
